

What is Travel Protection?

As a leading travel protection provider for more than 20 years, Travel Insured takes pride in the trust, innovation, and family spirit we've built with our partners. Our protection plans are designed around your needs, helping you to relax, and travel knowing that we can support you if your trip goes awry.

WHEN THE UNEXPECTED HAPPENS, WHAT CAN TRAVEL PROTECTION OFFER?

A travel protection plan is a package of insurance benefits and non-insurance services intended to help protect your travel investment, your belongings, and most importantly, yourself.

POST-DEPARTURE COVERAGE

All of our plans provide coverage while you are away, which may include:

Accident & Sickness Medical Expense
Emergency Medical Evacuation
Baggage Delay/Personal Effects
Missed Connection
Travel Delay
Itinerary Change
and more!

CANCELLATION/INTERRUPTION REASONS

Protection of your travel investment may include Trip Cancellation and Trip Interruption.

Some covered reasons include:

Sickness or Injury
Inclement Weather
Employer Termination
Destination Evacuation
Terrorist Incident
Cancel for Work Reasons

(Not available on every plan)

Additional terms apply to all perils listed.

ADDITIONAL BENEFITS

Cash Reimbursement for Trip Cancellation, unlike most airline and cruise protection plans who often issue reimbursement in the form of travel credit.

Pre-Existing Conditions Exclusion Waiver is available under most plans within a certain time frame of trip payments. See the Plan for details and additional requirements.

Medical expenses may not be covered by your health insurance while you're traveling, especially outside of the United States. Travel Insured can help with that.

Baggage protection can help when your homeowner's policy may not cover the expenses from loss, delay, theft, and damage.

IT'S MORE THAN JUST INSURANCE.
